Re: Reynolds v. State Farm Insurance Co., Case # 07-176

Dear Chief Judge Robinson:

Your Honor signed an Order in this case directing Plaintiff to enter local counsel by September 10, 2007. I am Pennsylvania counsel for Plaintiff whom has been assisting in obtaining local counsel.

Plaintiff had been unable to comply with this Honorable Court's September 10, 2007 deadline because a conflict of interest existed between Plaintiff's choice of local counsel and myself as Plaintiff's general attorney. That conflict, which was fully disclosed, has very recently been resolved due to settlement of litigation. We have since set a meeting for this Friday to finalize Plaintiff's agreement for representation with local counsel. In light of this information, kindly withhold adverse action on this case until after September 28, 2007.

Thank you for your consideration of this request.

Sincerely,

SHELLY FARBER, ESQUIRE
